HISTORY

The Creative Arts and Crafts Committee has its roots in the Women's World displays of the 1970s. These displays commemorated the Exhibition component of the original Calgary Exhibition and Stampede that began in 1912. The Creative Arts and Crafts competition was founded to ensure the talent, craftsmanship and artistry in these early fairs would be preserved and advanced.

Today, the committee is composed of twenty-five volunteers who work throughout the year to ensure a high quality competition. It also relies on qualified judges and the work of nearly two hundred other volunteers who come together to create a Western Oasis of art and culture at the Calgary Stampede.

CHAIR'S COMMENTS

On behalf of the Creative Arts and Crafts Committee I would like to welcome you to the 2017 Competition. The Creative Arts and Crafts Committee displays handmade artisan works and provides a basis for them to develop their skills. Entries will be on display to the public for the full 10 days of the Calgary Stampede and be seen by more than 400,000 visitors. By entering, you're eligible for cash prizes, achievement ribbons and you will receive feedback from qualified judges.

The 2017 Creative Arts and Crafts Book is your reference guide to the creative contests. There are 3 ways to enter: online, by mail, in person. Make sure to read the rules and regulations to ensure your entry meets all the section, class and display criteria.

I look forward to seeing all the entries and seeing you at the 2017 Calgary Stampede. Make sure to stop in for a visit with the Guilds in the Cabin and check out our new Maker Market.

MAKER MARKET INFORMATION

The Maker Market is an upscale and accessible marketplace of locally made functional, decorative and wearable handcrafted goods for sale by artists to guests of the Calgary Stampede. This craft show will include modern, urban and ethnic aesthetics in addition to the Western theme of the Stampede. The Maker Market appeals to local visitors as well as tourists from across the world as a place to buy unique, high quality goods made locally. It is a return to the Women's World Marketplaces of the 1970s where the sale of items promoted local talent and built community.

GIVING BACK

The Creative Arts and Crafts Committee is pleased to work with Victoria's Quilts and Quilts of Valour at the Calgary Stampede 2017.

VICTORIA'S QUILTS

Victoria's Quilts Canada (VQC) is a registered charitable organization that provides handmade quilts to people with cancer in Canada. Since 1999, Victoria's Quilts has delivered over 45,000 quilts to people with cancer.

The organization has over 1100 volunteers in 25 communities across Canada. The quilts are made by individual quilters who work independently or in groups similar to quilting bees.

This is a testimonial received from a grateful recipient of one of Victoria's quilts:

"We often tend to focus on finding the cure for tomorrow. Sometimes it's the little thoughtful things we are given that help us the most to get us through today. Knowing that the quilt I got today was made by the hands of people who genuinely care enough to dedicate their time and hard work for cancer patients brings me not only COMFORT, but also an overwhelming feeling of LOVE and SUPPORT. Thank you to everyone from Victoria Quilts Canada for your kindness and dedication. May God shine His love on all of you!"

QUILTS OF VALOUR – CANADA

The Society's mission to ensure that injured Canadian Forces members are recognized for their service and commitment to our country has become the driving force for Quilts of Valour - Canada. Quilts of Valour give this support through the presentation of quilts to comfort past and present Canadian Forces members. In 2014 Quilts of Valour - Canada established a Board of Directors to further its development and expansion. Quilts of Valour Representatives have grown across Canada and presentations of their quilts have touched over 7,000 injured CFA members and veterans. Their goal is to touch 10,000 injured CFA members and veterans with Quilts of Valour by 2018.

GUILDS

Guilds were created in medieval England by craftsmen who gathered to aid and protect themselves and to set standards for their crafts.

Modern day craft guilds evolved from this foundation and continue to teach and develop the craft, promote interest in the craft, raise awareness of the craft, support each other, share ideas, and, of course, develop community and friendships.

Calgary and Southern Alberta has many craft guilds whose members share a love of the same type of craftsmanship or artistry. Indeed, a number of guild members are active participants in the Creative Arts and Crafts Competition every year at the Calgary Stampede.

The Creative Arts and Crafts Committee host different guilds in our cabin in the Western Oasis during the Calgary Stampede. The guild members share their enthusiasm and skills during their visit and are happy to answer any questions about their craft and guild.

For those who are interested in joining a guild, many of the guilds have websites and Facebook pages.

Please come out and visit the guilds, you might just find a new passion in life!

GINA BROWN AWARD

Gina Brown was well-known in the Calgary craft community. She was involved with the Calgary Stampede Handicrafts as a judge in the early 1960s and later joined the Handicraft Committee in the 1980s. She served as a volunteer on the Committee until her passing in August 1996. Gina will always be remembered for her boundless energy and her vast technical expertise. The Creative Arts & Crafts Committee thanks Gina Brown's family for continuing to make this award possible in loving memory of Gina.

The Gina Brown Needle Arts Award is open to an Adult entering the Knitting & Crocheting or Needlework & Stitchery Sections.

The winner is chosen by members of the Creative Arts and Crafts Committee and is awarded a commemorative piece.

RIBBONS AND PRIZES

COMPETITIVE SECTIONS

The Creative Arts and Crafts Committee invites individual entries for competition from adults (18+) and juniors (17 & under). Please see the rules and regulations section for entry fees, number of entries, and display criteria.

ADULT SECTION

Ribbons may be given to the First, Second and Third place winners of each Class within each Section. A "Class" is defined as the category within a Section that the specific type of item will be entered into. For example, "1401 – Hand Quilted Pieced" is a Class within the Quilting Section.

First place winners in a Class will receive a red ribbon, second place winners will receive a blue ribbon and third place winners will receive a white ribbon.

A single entry in a Class is not guaranteed a ribbon. There are no cash prizes for the winners of a Class.

The First Place Winners of each Class will then be judged together on merit and workmanship to determine first, second and third place for the Section. "Section" is defined as all of the classes in an area. For example, "Quilting" is a Section.

Section winners are awarded a monetary prize:

- The First Place Section winner will receive a section ribbon and \$175.
- The Second Place Section winner will receive a section ribbon and \$150.
- The Third Place Section winner will receive a section ribbon and \$125.

We reserve the right to award an honourable mention in a Section. An Honourable Mention placing has no cash value.

WALL OF CHAMPIONS

The Creative Arts and Crafts Committee is pleased to present the “Wall of Champions” in honour of outstanding work done by participants.

This exhibition will be open to any exhibitor who receives a first in any single Section (i.e. Quilts) for four years. The years do not have to be consecutive. Only section winners are eligible.

The year after their fourth section win (i.e. Quilts), the exhibitor will be inducted into the Creative Arts and Crafts “Wall of Champions”. Along with their section awards, a championship ribbon and trophy will be awarded. The individual will have their picture taken with their winning entry. This picture will hang yearly on the “Wall of Champions” beginning the year after their fourth win.

Once an exhibitor wins four years in a particular section (i.e. Quilts) they will no longer be eligible to enter that section. Instead, inductees will receive an invitation to enter one article relating to the section they won in to display with their picture. This entry will be subject to all current rules and regulations.

The Creative Arts and Crafts Committee would like to congratulate the section winners of the Stampede 2011 to 2016. Their names appear on the Western Showcase website.

The “Wall of Champions” is not retroactive and calculations began with the 2011 Calgary Stampede. It may be a few years before we have an inductee, but we look forward to it!

2017 CHARITY – ROWAN HOUSE

Artisans are welcome to donate new useful handcrafted articles for adults and children such as quilts, afghans, sweaters or household items for charity. These items may be displayed but will not be judged. There is no entry fee for charitable donation items.

Our 2017 charity is Rowan House Emergency Shelter, which provides shelter and support to at-risk women and their families. Your lovingly handcrafted donations are greatly appreciated by the recipients.

2017 STAMPEDE – CHARITY SECTION

The Creative Arts and Crafts Committee are proud to support local charitable organizations with your donations such as knitted sweaters and hand crafted household items.

We encourage you to enter a special article to donate to this worthy cause. Although we appreciate your offer, we are unable to accept any framed pictures or calligraphy.

Entry fees have been waived in this Section.

You may enter up to five items into the Charity Section.
